The selfish, they're all standing in line  
Faithing and hoping to buy themselves time  
Me, I figure, as each breath goes by  
I only own my mind

North is to south what the clock is to time  
There's east and there's west and there's everywhere life  
I know I was born and I know that I'll die  
The in-between is mine  
I am mine

And the feeling gets left behind  
All the innocence, lost at one time  
Significant behind the eyes  
There's no need to hide  
We're safe tonight

The ocean is full 'cause everyone's crying  
The full moon is looking for friends at high tide  
The sorrow grows bigger when the sorrow's denied  
I only know my mind  
I am mine

And the meaning that gets left behind  
All the innocents lost in one time  
Significant, behind the eyes  
There's no need to hide  
We're safe tonight

And the feelings get left behind  
All the innocents broken with lies  
Significance between the lines  
We may need to hide

And the meanings that get left behind  
All the innocence, lost in one time  
We're all different behind the eyes  
There's no need to hide  
Yeah!
