No life till leather, we're gonna kick some ass tonight
We got the metal madness, when our fans start screaming it's right
We'll alright, yeah
When we start to rock, we never wanna stop again

Hit the lights!
Hit the lights!
Hit the lights!

You know our fans are insane, we are gonna blow this place away
With volume higher, than anything today
The only way, yeah
When we start to rock, we never wanna stop again

Hit the lights!
Hit the lights!
Hit the lights!

With all our screaming, we're gonna rip right through your brain
We got the lethal power, it, s causing you sweet pain
Oh sweet pain, yeah
When we start to rock, we never wanna stop again

Hit the lights!
Hit the lights!
Hit the lights!
Hit them lights!
