Love of my life

You've hurt me

You've broken my heart

And now you leave me

Love of my life, can't you see?

Bring it back, bring it back

Don't take it away from me

Because you don't know

What it means to me

Love of my life, don't leave me

You've taken my heart

And now desert me

Love of my life, can't you see?

Bring it back, bring it back

Don't take it away from me

Because you don't know

What it means to me

You won't remember

When this is blown over

And everything's all by the way

When I get older

I will be there at your side
To remind you how I still love you
I still love you

Back, bring it back
Don't take it away from me
Because you don't know
What it means to me
Love of my life
Love of my life
