

What It Takes

Álbum: Pump

Listen: [What It Takes](#)

Elaborado por: Erick Molina Jimenez

There goes my old girlfriend
Well, there's another diamond ring
And all those late night promises
I guess they don't mean anything

So, baby, what's the story?
Did you find another man?
Is it easy to sleep in the bed that we
made?
When you don't look back
I guess the feelings start to fadeaway

I used to feel your fire
But now it's cold inside
And you're back on the street
Like you didn't miss a beat, yeah

Tell me what it takes to let you go
Tell me how the pain's supposed to go
Tell me how it is that you can sleep in the
night
Without thinking you lost everything that
was good
In your life to the toss of the dice
Tell me what it takes to let you go

Girl, before I met you
I was f.l.n.e., fine
But your love made me a prisoner
Yeah, my heart's been doin' time

Spent me up like money
Well, then you hung me out to dry
It was easy to keep all your lies in
disguise
'Cause you had me in deep
With the devil in your eyes

Tell me what it takes to let you go
Tell me how the pain's supposed to go
Tell me how it is that you can sleep in the
night
Without thinking you lost everything that
was good
In your life to the toss of the dice
Tell me what it takes to let you go, guitar!

Tell me that you're happy that you're on
your own
Tell me that it's better when you're all
alone
Tell me that your body doesn't miss my
touch
Tell me that my lovin' didn't mean that
much
Tell me you ain't dyin' when you're cryin'
for me

Tell me what it takes to let you go
Tell me how the pain's supposed to go
Tell me how it is that you can sleep in the
night
Without thinking you lost everything that
was good
In your life to the toss of the dice
Tell me who's to blame for thinking twice
(no, no, no, no)
'Cause I don't wanna burn in paradise

(Let it go, let it go, let it go, let it go, let it
go, let it go)
