People are strange when you're a stranger  
Faces look ugly when you're alone  
Women seem wicked when you're unwanted  
Streets are uneven when you're down  
When you're strange

Faces come out of the rain

When you're strange

No one remembers your name

When you're strange

When you're strange

When you're strange

People are strange when you're a stranger

Faces look ugly when you're alone

Women seem wicked when you're unwanted

Streets are uneven when you're down

When you're strange

Faces come out of the rain

When you're strange

No one remembers your name

When you're strange

When you're strange

When you're strange

When you're strange

Faces come out of the rain

When you're strange

No one remembers your name

When you're strange

When you're strange

When you're strange
