On the turning away  
From the pale and downtrodden  
And the words they say  
Which we won't understand  
"Don't accept that what's happening  
Is just a case of others' suffering  
Or you'll find that you're joining in  
The turning away"

It's a sin that somehow  
Light is changing to shadow  
And casting its shroud  
Over all we have known  
Unaware how the ranks have grown  
Driven on by a heart of stone  
We could find that we're all alone  
In the dream of the proud

On the wings of the night  
As the daytime is stirring  
Where the speechless unite  
In a silent accord  
Using words you will find are strange  
Mesmerized as they light the flame  
Feel the new wind of change  
On the wings of the night

No more turning away  
From the weak and the weary  
No more turning away  
From the coldness inside  
Just a world that we all must share  
It's not enough just to stand and stare  
Is it only a dream that there'll be  
No more turning away?
