Elaborado por: Erick Molina Jiemenez

I could stay awake just to hear you breathing

Watch you smile while you are sleeping

While you're far away and dreaming

I could spend my life in this sweet surrender

I could stay lost in this moment forever

Every moment spent with you is a moment I treasure

Don't want to close my eyes

I don't want to fall asleep

'Cause I'd miss you baby

And I don't want to miss a thing

'Cause even when I dream of you

The sweetest dream will never do

I'd still miss you baby

And I don't want to miss a thing

Lying close to you, feeling your heart beating

And I'm wondering what you're dreaming

Wondering if it's me you're seeing

Then I kiss your eyes

And thank God we're together

And I just want to stay with you in this moment forever

Forever and ever

I don't want to close my eyes

I don't want to fall asleep

'Cause I'd miss you baby

And I don't want to miss a thing

'Cause even when I dream of you

The sweetest dream will never do

I'd still miss you baby

And I don't want to miss a thing

I don't want to miss one smile

And I don't want to miss one kiss

And I just want to be with you

Right here with you, just like this

And I just want to hold you close

I feel your heart so close to mine

And just stay here in this moment

For all the rest of time

Yeah, yeah, yeah, yeah, yeah

Don't want to close my eyes

Don't want to fall asleep

'Cause I'd miss you baby

And I don't want to miss a thing

'Cause even when I dream of you (even when I dream)

The sweetest dream will never do

I'd still miss you baby

And I don't want to miss a thing

I don't want to close my eyes

I don't want to fall asleep

*'Cause I'd miss you baby
And I don't want to miss a thing
'Cause even when I dream of you
The sweetest dream will never do
I'd still miss you baby
And I don't want to miss a thing*

*Don't want to close my eyes
I don't want to fall asleep, yeah
And I don't want to miss a thing*
