Ticking away the moments that make up a dull day  
You fritter and waste the hours in an offhand way  
Kicking around on a piece of ground in your home town  
Waiting for someone or something to show you the way

Tired of lying in the sunshine, staying home to watch the rain  
You are young and life is long, and there is time to kill today  
And then one day you find ten years have got behind you  
No one told you when to run, you missed the starting gun

Ticking away the moments that make up a dull day  
You fritter and waste the hours in an offhand way  
Kicking around on a piece of ground in your home town  
Waiting for someone or something to show you the way

Tired of lying in the sunshine, staying home to watch the rain  
You are young and life is long, and there is time to kill today  
And then one day you find ten years have got behind you  
No one told you when to run, you missed the starting gun

Ticking away the moments that make up a dull day

Kicking around on a piece of ground in your home town  
Waiting for someone or something to show you the way
