

# The Four Horsemen

*Album: Metallica*

By the last breath of the fourth winds blow  
Better raise your ears  
The sound of hooves knocks at your door  
Lock up your wife and children now  
It's time to wield the blade  
For now you have got some company

The horsemen are drawing nearer  
On the leather steeds they ride  
They have come to take your life  
On through the dead of night  
With the four horsemen ride  
Or choose your fate and die

Oh yeah yeah  
You have been dying since the day you were born  
You know it has all been planned  
The quartet of deliverance rides  
A sinner once a sinner twice  
No need for confession now  
'Cause now you have got the fight of your life

The horsemen are drawing nearer  
On the leather steeds they ride  
They have come to take your life  
On through the dead of night  
With the four horsemen ride  
Or choose your fate and die

Oh yeah yeah

Time has taken its toll on you  
The lines that crack your face  
Famine, your body it has torn through  
Withered in every place  
Pestilence, for what you have had to endure  
And what you have put others through  
Death, deliverance for you for sure  
There is nothing you can do

So gather round young warriors now  
And saddle up your steeds  
Killing scores with demon swords

Now is the death of doers of wrong  
Swing the judgment hammer down  
Safely inside armor blood guts and sweat

The horsemen are drawing nearer  
On the leather steeds they ride  
They have come to take your life  
On through the dead of night  
With the four horsemen ride  
Or choose your fate and die

Oh yeah yeah
