*In the name of desperation  
In the name of wretched pain  
In the name of all creation  
Gone insane*

*We're so fucked  
Shit outta luck  
Hardwired to self-destruct  
Go!*

*On the way to paranoia  
On the crooked borderline  
On the way to great destroyer  
Doom design*

*We're so fucked  
Shit outta luck  
Hardwired to self-destruct  
Oh!*

*Once upon a planet burning  
Once upon a flame  
Once upon a fear returning  
All in vain  
Do you feel that hope is fading?  
Do you comprehend?  
Do you feel it terminating  
In the end?*

*We're so fucked  
Shit outta luck  
Hardwired to self-destruct*

*Hardwired to self-destruct  
Self-destruct  
Self-destruct  
Self-destruct*
