Don't you leave me Father Time, take me with you
Tell me, does your sun still shine?
Come squeeze the world and drip it down my throat again
Down my throat again

You got to breathe man, breathe
Coming up for air
Breathe man, breathe
Coming up for air

Touch me so I think I'm here, skin my senses
Barely breathing, minus human
Please squeeze the world and drip it down my throat again
Down my throat again

You got to breathe man, breathe
Coming up for air
Breathe man, breathe
Coming up for air

You got to breathe man, breathe
Coming up for
Breathe man, breathe
Coming up for
