Album: *Exile on Main St.*

Listen: <https://youtu.be/tlfQipkkOqs>

Elaborado por: Uriel Cordoba Rosas

*Wadin' through the waste stormy winter  
And there's not a friend to help you through  
Tryin' to stop the waves behind your eyeballs  
Drop your reds, drop your greens and blues*

*Thank you for your wine, California  
Thank you for your sweet and bitter fruits  
Yes I got the desert in my toenail  
And I hid the speed inside my shoe*

*But come on, come on down Sweet Virginia  
Come on, honey child, beg you  
Come on, come on down, you got it in ya  
Got to scrape the shit right off your shoes*

*Yeah, I want you to come on, come on down Sweet Virginia*

*I want you to come on, come on down Sweet Virginia  
I want you come on, honey child, I beg you  
I want you come on, honey child you got it in you  
Got to scrape that shit right off your shoes*

*But come on, come on down Sweet Virginia  
Come on, come on down, I beg  
Come on, come on down, you got it in you  
Got to scrape that shit right off your shoes*
