One, two, one, two three, four

*Spineless from the start
Sucked into the part
Circus comes to town
You play the lead clown
Please, please, spreading his disease
Living by his story
Knees, knees, falling to your knees
Suffer for his glory
You will*

*Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green, heaven you will meet
Make a contribution and you'll get a better seat
Bow to Leper Messiah*

*Marvel at his tricks
Need your Sunday fix
Blind devotion came
Rotting your brain
Chain, chain, join the endless chain
Taken by his glamour
Fame, fame, infection is the game
Stinking drunk with power
We see*

*Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green, heaven you will meet
Make a contribution and you'll get the better seat
Bow to Leper Messiah*

*Witchery, weakening
Sees the sheep are gathering
Set the trap, hypnotize
Now you follow*

*Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green, heaven you will meet
Make a contribution and you'll get the better seat*

Lie, lie, lie, lie, lie, lie, lie, lie
