When you're talkin' to yourself  
And nobody's home  
You can fool yourself  
You came in this world alone  
(Alone)

So nobody ever told you baby  
How it was gonna be  
So what'll happen to you baby  
Guess we'll have to wait and see  
One, two

Old at heart but I'm only twenty eight  
And I'm much too young  
To let love break my heart  
Young at heart but it's getting much too late  
To find ourselves so far apart

I don't know how you're s'posed to find me lately  
An what more could you ask from me  
How could you say that I never needed you  
When you took everything  
Said you took everything from me

Young at heart an it gets so hard to wait  
When no one I know can seem to help me now  
Old at heart but I musn't hesitate  
If I'm to find my own way out

Still talkin' to myself  
And nobody's home  
(Alone)

So nobody ever told us baby  
How it was gonna be  
So what'll happen to us baby  
Guess we'll have to wait and see

When I find out all the reasons  
Maybe I'll find another way  
Find another day  
With all the changing seasons of my life  
Maybe I'll get it right next time  
An now that you've been broken down  
Got your head out of the clouds  
You're back down on the ground

And you don't talk so loud  
An you don't walk so proud  
Any more, and what for

Well I jumped into the river  
Too many times to make it home  
I'm out here on my own, an drifting all alone  
If it doesn't show give it time  
To read between the lines

'Cause I see the storm getting closer  
And the waves they get so high  
Seems everything we've ever known's here  
Why must it drift away and die

I'll never find anyone to replace you  
Guess I'll have to make it through, this time - oh this time  
Without you  
I knew the storm was getting closer  
And all my friends said I was high  
But everything we've ever known's here  
I never wanted it to die
