*When I look into your eyes
I can see a love restrained
But darlin' when I hold you
Don't you know I feel the same*

*Nothin' lasts forever
And we both know hearts can change
And it's hard to hold a candle
In the cold November rain*

*We've been through this such a long long time
Just tryin' to kill the pain, oo yeah
But love is always coming and love is always going
And no one's really sure who's lettin' go today
Walking away*

*If we could take the time
To lay it on the line
I could rest my head
Just knowin' that you were mine
All mine
So if you want to love me
Then darlin' don't refrain
Or I'll just end up walkin'
In the cold November rain*

*Do you need some time on your own
Do you need some time all alone
Everybody needs some time
On their own
Don't you know you need some time all alone*

*I know it's hard to keep an open heart
When even friends seem out to harm you
But if you could heal a broken heart
Wouldn't time be out to charm you*

*Sometimes I need some time
On my own
Sometimes I need some time all alone
Everybody needs some time
On their own
Don't you know you need some time all alone*

*And when your fears subside
And shadows still remain, oh yeah
I know that you can love me
When there's no one left to blame
So never mind the darkness
We still can find a way
'Cause nothin' lasts forever
Even cold November rain*

*Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody
You're not the only one
You're not the only one*

*Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody
You're not the only one
You're not the only one*

*Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody
You're not the only one
You're not the only one*

*Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody*
