*Elaborado por: Uriel Rodriguez Barrera*

Was ridin' along side the highway  
Rollin' up the countryside  
Thinkin' I'm the Devil's heatwave  
What you burn in your crazy mind?

Saw a slight distraction  
Standin' by the road  
She was smilin' there, yellow in her hair  
Do you wanna? I was thinkin', would you care?

Sweet hitch a hiker  
We could make music at the Greasy King  
Sweet hitch a hiker  
Won't you ride on my fast machine?

Cruisin' on through the junction  
I'm flyin' about the speed of sound  
Noticin' peculiar function  
I ain't no roller coaster show me down

I turned away to see her  
Whoa! She caught my eye  
But I was rollin' down, movin' too fast  
Do you wanna? She was thinkin' can it last?

Sweet hitch a hiker  
We could make music at the Greasy King, yeah  
Sweet hitch a hiker  
Won't you ride on my fast machine?

Was busted up along the highway  
I'm the saddest ridin' fool alive  
Won't you give a poor boy a ride?

Here she comes arisin'  
Lord, she's flyin' high  
She was rollin' down, movin' too fast  
Do you wanna? She was thinkin' can I last?

Sweet hitch a hiker  
We could make music at the Greasy King  
Won't you ride on my fast machine?

Sweet hitch a hiker  
We could make music at the Greasy King  
Sweet hitch a hiker  
Won't you ride on my fast machine?

Sweet hitch a hiker  
We could make music at the Greasy King  
Sweet hitch a hiker  
Won't you ride on my fast machine?

Sweet hitch a hiker  
We could make music at the Greasy King
