*So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else matters*

*Never opened myself this way
Life is ours, we live it our way
all these words, i don't just say
And nothing else matters*

*Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters*

*Never cared for what they do
Never cared for what they know
But I know.*

*So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else matters*

*Never cared for what they do
Never cared for what they know
But I know*

*I never opened myself this way
Life is ours, we live it our way
All these words, I don't just say
And nothing else matters*

Trust I seek and I find in you...
