Elaborado por: Uriel Cordoba Rosas

Don't you worry 'bout what's on your
mind, oh my
I'm in no hurry, I can take my time, oh my
I'm going red and my tongue's getting
tied
(Tongue's getting tied)
I'm off my head and my mouth's getting
dry
I'm high, but I try, try, try, oh my

Let's spend the night together
Now I need you more than ever
Let's spend the night together now

I feel so strong that I can't disguise, oh
my
(Let's spend the night together)
But I just can't apologize, oh no
(Let's spend the night together)

Don't hang me up and don't let me down
(Don't let me down)
We could have fun just groovin' around
Around, and round, and oh my my

Let's spend the night together
Now I need you more than ever
Let's spend the night together

Let's spend the night together
Now I need you more than ever
You know I'm smiling, baby

You need some guiding, baby
I'm just deciding, baby, now
I need you more than ever
Let's spend the night together
Let's spend the night together now
Oh my my my my my my my

This doesn't happen to me every day, oh
my
(Let's spend the night together)
No excuses offered anyway, oh my
(Let's spend the night together)

I'll satisfy your every need
(Your every need)
And now I know you will satisfy me
Oh my my my my my my my

Together now, oh my my my my my my my
my

Now I need you, need you more than
ever, oh my
(Let's spend the night together)
I'll satisfy your every need, whoa my my

Now I know, I know you'll satisfy me,
whoa my my
(Let's spend the night together)
I beg you baby, whoa my my my my my my my

Oh come on now
Oh baby my my my my my my my
