Alone, listless
Breakfast table in an otherwise empty room
Young girl, violence
Center of her own attentions
Mother reads aloud, child tries to understand it
Tries to make her proud
The shades go down, it's in her head
Painted room, can't deny that something's wrong

Don't call me daughter, not fit to
The picture kept will remind me
Don't call me daughter, not fit to
The picture kept will remind me
Don't call me

She holds the hand that holds her down
She will... rise above

Don't call me daughter, not fit to
The picture kept will remind me
Don't call me daughter, not fit to be
The picture kept will remind me
Don't call me daughter, not fit to
The picture kept will remind me
Don't call me daughter, not fit to
The picture kept will remind me
Don't call me

Don't change girl
Don't change girl
Who do you think you are?
Who do you think you are?
Who... do you think you are?
A superstar, well right you are
Who do you think you are?
A superstar, well right you are

Nothin', nothin, ' nothin's gonna change my world
Nothin', nothin, ' nothin
Nothin's gonna change my world
Nothing, Nothing, Nothing
