*Follow the Moskva  
Down to Gorky Park  
Listening to the wind of change  
An August summer night  
Soldiers passing by*

*Listening to the wind of change  
The world is closing in  
Did you ever think  
That we could be so close, like brothers*

*The future's in the air  
Can feel it everywhere  
Blowing with the wind of change*

*Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change*

*Walking down the street  
Distant memories  
Are buried in the past, forever*

*I follow the Moskva  
Down to Gorky Park  
Listening to the wind of change*

*Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow share their dreams*

*With you and me  
Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change  
The wind of change*

*Blows straight into the face of time  
Like a storm wind that will ring the freedom bell  
For peace of mind  
Let your balalaika sing  
What my guitar wants to say*

*Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow share their dreams  
With you and me*

*Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change*
