*Come unto me and you will feel perfection
Come unto me and dedicate
Come unto me, you'll never feel rejection
Come unto me and terminate
Remove your heart, it's only good for bleeding
Bleeding through your fragile skin
Remove your thought cause it's only for deceiving
Deceiving thoughts destroy within
Disappear like man was never here*

*Long live machine
The future supreme
Man overthrown
Spit out the bone*

*Plug into me I guarantee devotion
Plug into me and dedicate
Plug into me and I'll save you from emotion
Plug into me and terminate
Accelerate, Utopian solution
Finally cure the Earth of man
Exterminate, speeding up the evolution
Set on course a master plan
Reinvent the earth inhabitant*

*Long live machine
The future supreme
Man overthrown
Spit out the bone*

*The flesh betrays the flesh
Your man has had his time
We lay him down to rest
Machined the new divine*

*Stop breathing
And dedicate to me
Stop dreaming
And terminate for me
All meaning
You dedicate to me
All feelings*

You terminate for me

Disappear like man was never here

Long live machine

Our future supreme

Your man overthrown

Spit out the bone, yeah
