I realise I missed a day But I'm too wrecked to care anyway I look around and see this face what the hell, have I lost my taste?

Don't want to find out Just want to cut out

My head explodes, my ears ring I can't remember just where I've been The last thing that I recall I got lost in a deep black hole

Don't want to find out Just want to cut out

Blackout
I really had a blackout
Blackout
I really had a blackout
Blackout
I really had a blackout
Blackout
Blackout
I really had a blackout

I grab my things and make a run On my way out, another one Would like to know, before I stop Did I make it or did I flop? Don't want to find out Just want to get out, yeah!

Blackout
I really had a blackout
I really had a blackout

Yeah, yeah, yeah...
I really had a blackout, baby

Don't want to find out Just want to get out

Blackout
I really had a blackout
I really had a blackout

Blackout Blackout Blackout (oh yeah, oh yeah) Oh, yeah!
